### ABOUT YOUR ART PROJECT

Each participant in this exhibit must be completely responsible for the creation and production of his or her submitted art project. Adults can provide guidance and make suggestions, but the art itself should be done by the young artist. (Adults are allowed to help with any matting/framing of the project.)

Suggested types of art projects include:

- (A) Drawing / Painting / Sketching
- (B) Photography
- (C) Creative Writing (short prose, poetry, song lyrics)
- (D) Sculpture (no pre-cast molds or kits allowed)

Drawings and paintings may be matted and/or framed if desired. The finished project should be no larger than 16x20".

Photographs may be either color or black-and-white, and must be taken *by the participant*. Photos should be framed and/or matted so that they can be displayed on top of shelves. The finished project should be no larger than 8"x10".

Writings must be original, and should not use profanity or overly explicit language. Each submission should be limited in length to a single standard page of paper.

Sculpture entries should be no larger than 12"x12"x12", so that they can be effectively displayed atop shelves.

For entries using more than one type of art (mixed media), you must select the area in which you would prefer to have your project displayed. To specify this, please circle the category you select on your Art Official Entry Form at the bottom of this page.
